# 8th International Conference on the Exact Renormalization Group - ERG2016 | (smr 2826)

## Friday 23 September 2016

### Session 10 - LB (Budinich Lecture Hall) (14:30-16:40)

time	title	presenter
14:30	Quantum gravity on foliated space time asymptotically safe and sound	SAURESSIG, Frank
15:10	Towards solving hierarchy problem with asymptotically safe gravity	YAMADA, Masatoshi
15:50	Functional Renormalisation Group approach to the continuum limit of Group Field Theories	ORITI, Daniele
16:30	Closing
