Conference on Long-Range-Interacting Many Body Systems: from Atomic to Astrophysical Scales | (smr 2830)

Tuesday 26 July 2016

Session two - LB (Budinich Lecture Hall) (14:30-18:20)

time	title	presenter
14:30	Sustainable Development: The role of international scientific organizations	MCGRATH, Peter
15:30	Self-gravitating systems and cosmological structure formation 2	JOYCE, Michael G.F.
16:30	Coffee Break	
17:00	Out-of-equilibrium dynamics of long-range interacting Rydberg gases	LESANOVSKY, Igor
18:00	Anisotropic long range spin systems	DEFENU, Nicolo'
