

**Conference on Long-Range-Interacting Many Body Systems: from Atomic
to Astrophysical Scales | (smr 2830)**

Contribution ID : **21**

Type : **not specified**

Characterization of non-equilibrium many-body quantum states in trapped ion crystals

Wednesday, 27 July 2016 10:00 (0:40)

Content

Summary

Presenter(s) : ROOS, Christian (Universitat Innsbruck, Austria)

Session Classification : Session One
