

Conference on Long-Range-Interacting Many Body Systems: from Atomic
to Astrophysical Scales | (smr 2830)

Contribution ID : 26

Type : **not specified**

Quantum catastrophes in the dynamics of cold atom systems with long range interactions

Thursday, 28 July 2016 09:40 (0:30)

Content

Summary

Presenter(s) : O'DELL, Duncan H.J. (McMaster University, Ontario, Canada)

Session Classification : Session One
