Conference on Long-Range-Interacting Many Body Systems: from Atomic to Astrophysical Scales | (smr 2830)

Contribution ID: 30 Type: not specified

Topological approach to microcanonical thermodynamics and phase transition of interacting classical spins

Thursday, 28 July 2016 12:20 (0:20)

Content

Summary

 $\begin{tabular}{ll} \textbf{Presenter(s)}: & SANTOS, F. \ (Universidade \ Federal \ de \ Pernambuco, \ Brazil) \end{tabular}$

Session Classification: Session One
