Conference on Long-Range-Interacting Many Body Systems: from Atomic to Astrophysical Scales | (smr 2830)

Friday 29 July 2016

Session two - LB (Budinich Lecture Hall) (14:40-17:00)

time	title	presenter
14:40	Dynamics of correlations in long-range quantum systems	CEVOLANI, Lorenzo
15:00	Dynamics and thermodynamics of stellar black-hole nuclei	TOUMA, Jihad
15:40	Equilibrium and stability of a large set of N self-gravitating particles	PEREZ, Jerome
16:20	Concluding Remarks	
16:30	Coffee Break
