Advanced School on Earth System Modelling & Workshop on Climate Change and Regional Impacts over South Asia | (smr 2837)

Thursday 28 July 2016

Session I: Understanding monsoons under changing climate Chair: Dr. Satheesh Shenoi - (14:00-16:00)

time	title	presenter
14:00	Understanding recent changes in the South Asian monsoon precipitation	R.KRISHNAN
14:20	South Asian monsoon response to global warming and anthropogenic aerosols	M. BOLLASINA
14:40	Indian Monsoon variability during the last 20000 years through proxy records	M. G. YADAVA
15:00	Simulation of Indian monsoon variability and its teleconnections in IITM ESM	P. SWAPNA
15:20	Role of MJO on predictability of the Indian Monsoon	D.S. PAI
15:40	Tea
