

The Abdus Salam International Centre for Theoretical Physics (ICTP), in collaboration with the Asia Pacific Center for Theoretical Physics (APCTP) and the Italian Institute for Nuclear Physics (INFN), will hold a

SPRING SCHOOL on SUPERSTRING THEORY and RELATED TOPICS

10 - 18 March 2016

Miramare, Trieste, Italy

TOPICS:

- **Conformal Bootstrap**
- **Entanglement and Geometry** .
- Large D Gravity .
- **Mellin Amplitudes**
- **Moonshine Conjectures**
- **Physics Beyond the Standard Model**

The Aim of the activity is to provide pedagogical treatment of these subjects in the form of a series of lectures by individual speakers. The activity is intended for theoretical physicists or mathematicians with knowledge of quantum field theory, general relativity and string theory.

PARTICIPATION

Scientists and students from all countries which are members of the United Nations, UNESCO or IAEA may attend the School. As it will be conducted in English, participants should have an adequate working knowledge of this language. Although the main purpose of the Centre is to help research workers from developing countries, through a programme of training activities within a framework of international cooperation, students and post-doctoral scientists from advanced countries are also welcome to attend.

As a rule, travel and subsistence expenses of the participants should be borne by the home institution.

ORGANIZERS:

N. ARKANI-HAMED (IAS, Princeton)

A. DABHOLKAR (ICTP & Sorbonne Universités)

E. GAVA (INFN)

R. GOPAKUMAR (ICTS-TIFR, Bengaluru)

K.S. NARAIN (ICTP)

LECTURERS INCLUDE:

N. ARKANI-HAMED (IAS, Princeton)

R. GOPAKUMAR (ICTS-TIFR, Bengaluru)

J. HARVEY (University of Chicago)

Z. KOMARGODSKI (Weizmann Institute)

Every effort should be made by candidates to secure support for their fare (or at least half-fare). However, limited funds are available for some participants who are nationals of, and working in, a developing country, and who are not more than 45 years old. Such support is available only for those who attend the entire activity. There is no registration fee to be paid.

HOW TO APPLY FOR PARTICIPATION

accessed website: The Application Form can be at the activity http://indico.ictp.it/event/7624. Once in the website, comprehensive instructions will guide you step-by-step, on how to fill out and submit the application form.

ACTIVITY SECRETARIAT:

Spring School on Superstring Theory and Related Topics (smr2842) the Abdus Salam International Centre for Theoretical Physics Strada Costiera 11, 34151 Trieste, Italy.
