Joint ICTP-IAEA Workshop on Physics and Technology of Innovative Nuclear Energy Systems for Sustainable Development | (smr 2850)

Wednesday 31 August 2016

Wednesday, 31 August 2016 - Leonardo Building - Euler Lecture Hall (09:00-17:15)

time	title	presenter
09:00	Global Scenario for Nuclear Energy (part 1)	M. SALVATORES
09:50	Break	
10:00	Global Scenario for Nuclear Energy (part 2)	M. SALVATORES
10:45	Served Coffee Break	
11:00	Innovative Neutronics Models for Safety Studies (part 1)	A. RINEISKI
11:50	Break	
12:00	Innovative Neutronics Models for Safety Studies (part 2)	A. RINEISKI
12:45	Lunch Break	
14:00	Safety Issues and Approaches for Innovative Systems (part 1)	A. RINEISKI
14:50	Served Coffee Break	
15:05	Safety Issues and Approaches for Innovative Systems (part 2)	A. RINEISKI
16:00	Break	
16:15	Poster Session
