

ICTP-IITM-COLA Targeted Training Activity (TTA): Towards improved monsoon simulations | (smr 2896)

Contribution ID : **108**

Type : **not specified**

**J. Shukla/F. Kucharski/H. Annamalai
Welcome/Opening remarks (10') J. Shukla
Introductory Presentation: "Challenges in the
Simulation and Prediction of the Asian Summer
Monsoon Rainfall." (40')**

Monday, 13 June 2016 09:00 (0:50)

Content

Summary

Session Classification : Part 1: Workshop on "Grand challenges in monsoon modeling:Representation of processes in climate models"
