# ICTP-IITM-COLA Targeted Training Activity (TTA): Towards improved monsoon simulations | (smr 2896)

## Monday 13 June 2016

### Session 2: Attribution to model errors

- AGH (Giambiagi Lecture Hall) (11:10-14:00)

- Conveners: McCreary, Jay

time	title	presenter
11:10	The influence of orography on monsoons: dynamics and radiative-convective physics	WILLIAM BOOS (PRESENTED BY X. LEVINE)
11:40	Systematic errors in monsoon simulation: importance of equatorial Indian Ocean processes	H. ANNAMALAI
12:10	Role of land surface states in simulation and prediction of monsoons in CFSv2	PAUL DIRMEYER
12:40	Lunch Break
