

Experimental sessions: surface plasmon resonance method for precise detection of low concentration solutions

Friday, 17 February 2017 17:15 (1:45)

Content

Tutors: Zeinab Ebrahimpour; Groups: 4, 5, 6

Summary

Presenter(s) : VIKTOR LYSIUK (V. Lashkariov Institute of Semiconductor Physics, Ukraine)

Session Classification : not yet classified
