18th International Workshop on Computational Physics and Materials Science: Total Energy and Force Methods | (smr 3101)

Thursday 12 January 2017

Session: Ferroelectricity

- Budinich Lecture Hall (LB) (09:10-10:15)

time	title	presenter
09:10	Introduction to the session	
09:15	Charge-order-driven ferroelectricity in perovskite superlattices from first principles	K. RABE
09:45	Interplay between Ferroelectricity and Rashba effects	S. PICOZZI
