18th International Workshop on Computational Physics and Materials Science: Total Energy and Force Methods | (smr 3101)

Contribution ID : 921 Type : not specified

Spin caloritronics and spin dynamics in low-dimensional systems

Thursday, 12 January 2017 12:15 (0:30)

Content

Summary

Presenter(s): A. DELIN (Electrum, Sweden)

Session Classification: Session: Charge and Spin Correlations
