Workshop on Spectroscopy and Dynamics of Photoinduced Electronic Excitations | (smr 3116)

Wednesday 10 May 2017

CHARGE TRANSFER - Budinich Lecture Hall (LB) (14:00-18:00)

time	title	presenter
14:00	TBA	ELISA MOLINARI
15:00	Charge transport in organic molecular materials from fragment orbital-based non-adiabatic molecular dynamics simulation	JOCHEN BLUMBERGER
16:00	Coffee break	
16:30	Anomalous excitons in titanium dioxide	LETIZIA CHIODO
17:00	High-harmonic generation in solids	NICOLAS TANCOGNE-DEJEAN
