Fourth Workshop on Water Resources in Developing Countries: Hydroclimate Modeling and Analysis Tools | (smr 3125)

Tuesday 13 June 2017

notitle - Kastler Lecture Hall (AGH) (09:00-21:30)

management? 10:00 coffee break 10:30 A Global High-resolution Hydrological Model for Monitoring and Flood Forecasting 11:30 Introduction to empirical statistical downscaling, bias correction and weather generators 12:30 lunch break 14:00 Lab session on empirical statistical downscaling, bias correction and weather generators 15:30 coffee break	e title		presenter
10:30 A Global High-resolution Hydrological Model for Monitoring and Flood Forecasting 11:30 Introduction to empirical statistical downscaling, bias correction and weather generators 12:30 lunch break 14:00 Lab session on empirical statistical downscaling, bias correction and weather generators 15:30 coffee break 16:00 Lab session on empirical statistical downscaling, bias correction and weather generators MARAUN MARAUN MARAUN		•	TODINI, E.
Forecasting 11:30 Introduction to empirical statistical downscaling, bias correction and weather generators 12:30 lunch break 14:00 Lab session on empirical statistical downscaling, bias correction and weather generators 15:30 coffee break 16:00 Lab session on empirical statistical downscaling, bias correction and weather generators MARAUN MARAUN	00 coffe	ee break	
generators 12:30 lunch break 14:00 Lab session on empirical statistical downscaling, bias correction and weather generators 15:30 coffee break 16:00 Lab session on empirical statistical downscaling, bias correction and weather generators MARAUN		·	TODINI, Ezio
14:00 Lab session on empirical statistical downscaling, bias correction and weather generators 15:30 coffee break 16:00 Lab session on empirical statistical downscaling, bias correction and weather generators MARAUN		·	MARAUN, D.
generators 15:30 coffee break 16:00 Lab session on empirical statistical downscaling, bias correction and weather generators MARAUN	30 lunch	ch break	
16:00 Lab session on empirical statistical downscaling, bias correction and weather generators			MARAUN, D.
generators	30 coffe	ee break
