Conference: TMB-NET: Turbulent Mixing and Beyond - Non-Equilibrium Transport across the scales | (smr 3141)

Thursday 17 August 2017

- Leonardo Building - Budinich Lecture Hall (14:00-16:10)

time	title	presenter
14:00	Quasi solution method in a vortex dynamics problem	TANVEER S
14:35	Remarks on the Clebsch representation of fluid mechanics and turbulence	YOSHIDA Z
15:05	The arrow of time and extending conventional thermodynamics from matter to antimatter	KLIMENKO AY
15:40	Rogue waves and Talbot carpets: Dynamics driven by modulation instability	BELIC MR
