Conference: TMB-NET: Turbulent Mixing and Beyond - Non-Equilibrium Transport across the scales | (smr 3141)

Tuesday 15 August 2017

- Leonardo Building - Budinich Lecture Hall (14:00-16:10)

time	title	presenter
14:00	Understanding turbulence from a kinetic theory perspective	CHASHECHKIN YD
14:35	Turbulence and mixing in thermal convection	DANAILA L
15:10	Intermittency effects on passive scalar spectrum at very high Schmidt number	VINCENA ST
15:40	Non-Richardson scaling laws in turbulent particle pair diffusion	HAHM TS
