Advanced School on Tropical-Extratropical Interactions on Intra-Seasonal Time Scales | (smr 3155)

Friday 20 October 2017

notitle - Kastler Lecture Hall (AGH) (09:00-17:00)

time	title	presenter
09:00	Influence of extratropical disturbances on the Atlantic Intertropical Convergence Zone	NOBILE TOMAZIELLO, Ana Carolina
09:45	Fidelity of state-of-the-art models in simulating the observed teleconnection between the Tropical South Atlantic and ISMR	JOSHI, Kumar Manish
10:15	coffee break	
10:45	Influence of the midlatitudes in southeastern South America rainfall and circulation on intraseasonal timescales	ALVAREZ, Mariano
11:30	Long and short time scales of intraseasonal variability in South America	ALVAREZ, Mariano
12:15	Discussion	
12:30	lunch break	
14:00	Lab Sessions	
15:30	coffee break	
16:00	Lab Sessions
