

# Photoinduced charge transfer transitions in charged amino acids: New label free spectroscopic markers to probe protein structure and dynamics

*Thursday, 24 May 2018 11:30 (0:50)*

## Content

## Summary

**Presenter(s) :** VENKATRAMANI, Ravindra (TIFR, Mumbai, India)

**Session Classification :** Session 12 - Excitonic behaviours, charge and energy transfer in biological systems - III
