Conference on Quantum Dynamics of Disordered Interacting Systems | (smr 3212)

Thursday 14 June 2018

SESSION CHAIR: EUGENE DEMLER - Kastler Lecture Hall (AGH) (09:00-14:30)

time	title	presenter
09:00	Many-body localization: A unifying perspective	JENS EISERT
09:40	Quantum thermalization dynamics	FRANK POLLMAND
10:20	Coffee break	
10:50	Measuring non-equilibrium quantum dynamics with trapped-ion crystals	JOHN BOLLINGER
11:30	Entanglement and thermodynamics in non-equilibrium isolated quantum systems	PASQUALE CALABRESE
12:10	Quantum inverse freezing and mirror-glass order	THOMAS IADECOLA
12:40	Lunch break
