

**Conference on Physics of Defects in Solids: Quantum Mechanics Meets
Topology | (smr 3221)**

Contribution ID : **88**

Type : **not specified**

**Aharonov-Bohm interferometer on helical edge
states: Coherent enhancement of scattering off
magnetic impurity**

Wednesday, 11 July 2018 12:40 (0:20)

Content

Summary

Presenter(s) : R. NIIAZOV (National Research Center «Kurchatov Institute», Russian Federation)

Session Classification : Session 7
