Advanced School and Workshop on Correlations in Electron Systems – from Quantum Criticality to Topology | (smr 3232)

Thursday 09 August 2018

Exactly Solvable Models - Budinich Lecture Hall (LB) (11:00-14:30)

time	title	presenter
11:00	Quench dynamics in the Sine-Gordon model - Loschmidt Echo and work distribution	N. ANDREI
11:40	Adiabatic protocols in driven many-body systems and the orthogonality catastrophe	V. CHEIANOV
12:20	Integrable many-body Landau-Zener dynamics	E. YUZHASHAN
13:00	Lunch break
