# Advanced School and Workshop on Correlations in Electron Systems – from Quantum Criticality to Topology | (smr 3232)

## Wednesday 15 August 2018

- Leonardo Building - Budinich Lecture Hall (09:00-17:45)

time	title	presenter
09:00	Quantum spin liquid I: Concept	H. TAKAGI
10:15	Coffee break	
10:45	Superconductivity from repulsion: general reasoning and renormalization-group approach	A. CHUBUKOV
12:00	Lunch break	
13:30	Quantum spin liquid I: Materialization	H. TAKAGI
14:45	Non-BCS superconductivity in quantum-critical systems	A. CHUBUKOV
16:00	Coffee break	
16:30	Q & A session
