Winter School on Quantitative Systems Biology: Learning and Artificial Intelligence | (smr 3246)

Friday 16 November 2018

Friday, 16 November - (09:00-18:50)

time	title	presenter
09:00	Information Theory of Deep Learning - What Do the Layers of Deep Neural Networks Represent?	N. TISHBY
10:45	Coffee break	
11:15	Adversarial Machine Learning (Part II)	B. BIGGIO
13:00	Lunch break	
14:30	Hands-on tutorial: Convolutional Neural Networks: Theory	G. MATTEUCCI
16:15	Coffee break	
16:45	Hands-on tutorial: Convolutional Neural Networks: Practicals	E. ANNAVINI
18:30	Get-together
