

Joint ICTP-IAEA Advanced Workshop on Enhancing Accelerator-Based Analytical Techniques for Forensic Science | (smr 3291)

Contribution ID : 4

Type : **not specified**

Monitoring and fighting crime

Monday, 20 May 2019 12:00 (1:00)

Content

1) Very short presentation on who we are and what we do at UNICRI in the area of crime and justice and why we are interested in the IAEA activities (future outreach) 2) Putting into context: organized crime interest in low priority enforcement areas and differentiation of the criminal portfolio: the case of counterfeiting and food fraud 3) Discussing concrete areas where criminal activities and breaches of the supply chain can mix: infiltrations into the legal economy and their possible impact for the security of the supply chain + emerging trends for the infiltration into the supply chain + importance of monitoring criminal activities and connections between them 4) Potential of what the IAEA is doing and what UNICRI is doing with SIRIO to improve the monitoring and response with concrete examples

Summary

Presenter(s) : MUSUMECCI, Marco (UNICRI, Switzerland)

Session Classification : notitle
