

Black Holes, Binary Systems, and Gravitational Waves - 2. Extreme mass-ratio inspirals

Tuesday, 16 July 2019 11:30 (1:15)

Content

2.1 Formation Scenarios and Gravitational Wave Modeling 2.2 The Semi-Relativistic Approximation
2.3 Kludge Waveforms 2.4 The Self-Force

Summary

Presenter(s) : YUNES, Nicolas (Montana State University, USA)

Session Classification : notitle
