

## **Validation of Neural Network based model to predict foF2: A comparison with NeQuick 2 model data ingestion technique**

*Thursday, 10 October 2019 10:10 (0:20)*

### **Content**

### **Summary**

**Presenter(s) :** E. O. OYEYEMI (University of Lagos, Nigeria)

**Session Classification :** Data assimilation in NeQuick model (Chairperson: S.M. Radicella)
