

Recent Developments at UNESCO on Gender Equality

This talk will present i) an overview of the 2019 revision to UNESCO's Gender Equality Action Plan including UNESCO's standing under the United Nations System-wide Action Plan for Mainstreaming Gender Equality and the Empowerment of Women (GEEW); ii) major projects and activities aimed at promoting GEEW undertaken by UNESCO in all its domains – education, the natural sciences (the main focus), the social and human sciences, culture, and communication and information – in line with the upcoming report, *UNESCO and the Promise of Gender Equality*, and iii) an update on the STEM and Gender Advancement (SAGA) project which ended in late 2018.
