

**Machine Learning Landscape - a workshop at the interface of string theory,  
machine learning and energy landscapes**

Contribution ID : **180**

Type : **not specified**

## **Learning to Reheat with Random Matrix Theory**

*Monday, 10 December 2018 09:45 (0:45)*

**Content**

**Summary**

**Presenter(s) :** CODY LONG (Northeastern Univ.)

**Session Classification :** not yet classified
