

RAMANUJAN PRIZE CEREMONY

A Celebration of Mathematics

Friday 9 November 2018

Budinich Lecture Hall, Leonardo Building, 14:30 - 18:30

The subconvexity problem for L-functions

Dr. Ritabrata Munshi

Indian Statistical Institute, Kolkata, India
and the Tata Institute of Fundamental Research,
Mumbai, India

followed by a distinguished lecture by

Prof. Brian Conrey

from the American Institute of Mathematics on:

The world of L-functions
