ICTP-SISSA-CECAM Workshop on Molecular Dynamics and its Applications to Biological Systems | (smr 3483)

Monday 21 September 2020

Introductory Lectures - morning session - Online (09:15-12:15)

Chair: Angelo Rosa (SISSA, Italy)

time	title	presenter
09:15	RNA Dynamics Using Molecular Modeling and Experimental Data	GIOVANNI BUSSI
10:00	Martingale Stochastic Thermodynamics	EDGAR ROLDAN
10:45	Advanced Sampling Techniques for Atomistic Simulations	ALESSANDRO LAIO
11:30	QM/MM Simulations in Enzymatic Systems and Drug Discovery	ALESSANDRA MAGISTRATO
