ICTP-SISSA-CECAM Workshop on Molecular Dynamics and its Applications to Biological Systems | (smr 3483)

Thursday 24 September 2020

Advanced Lectures, PART 3 - afternoon session - Online (14:00-15:45)

Chair: Alejandro Rodriguez Garcia (ICTP, Italy)

time	title	presenter
14:00	Bacterial Cell Envelopes: Incorporating Biological Complexity in Molecular Dynamics Simulation Studies	SYMA KHALID
14:45	Break	
15:00	Using Molecular Simulations to Trace the Role of Conformational Dynamics in Enzyme Evolution	LYNN KAMERLIN
