Youth in High-dimensions: Machine Learning, High-dimensional Statistics and Inference for the New Generation | (smr 3517)

Monday 29 June 2020

Session 2. Chair: BRESLER Guy (MIT, USA) - Virtual (16:10-17:30)

time	title	presenter
16:10	Tensor estimation with structured priors	LUNEAU CLÉMENT
16:25	A precise high-dimensional asymptotic theory for boosting	SUR PRAGYA
16:40	When Do Neural Networks Outperform Kernel Methods?	MEI SONG
16:55	The Average-Case Complexity of Counting Cliques in Erdos-Renyi Hypergraphs	BOIX ENRIC
17:10	Q&A session
