

Joint ICTP-IAEA Workshop on the Use of Cosmic Ray Neutron Sensor for  
Soil Moisture Management and Validation of Remote Sensing Soil Moisture  
Maps | (smr 3574)

Contribution ID : 2

Type : **not specified**

## **Basic principles of soil moisture measurements using Cosmic Ray Neutron Sensor (CRNS) - part 2**

*Monday, 10 May 2021 13:00 (0:50)*

**Content**

**Summary**

**Presenter(s) :** FRANZ TRENTON (University of Nebraska-Lincoln, USA)

**Session Classification :** notitle
