

Joint ICTP-IAEA Workshop on the Use of Cosmic Ray Neutron Sensor for  
Soil Moisture Management and Validation of Remote Sensing Soil Moisture  
Maps | (smr 3574)

Contribution ID : 26

Type : **not specified**

## **Efforts to a harmonized data processing approach for cosmic-ray neutron sensors**

*Wednesday, 19 May 2021 12:30 (0:50)*

**Content**

**Summary**

**Presenter(s) :** RAFAEL ROSOLEM (University of Bristol, UK)

**Session Classification :** notitle
