Joint ICTP-IUGG Workshop on Data Assimilation and Inverse Problems in Geophysical Sciences | (smr 3607)

Wednesday 27 October 2021

- Online (17:00-19:00)

| time | title | presenter |
|-------|--|-------------|
| 17:00 | Understanding and predicting geomagnetic secular variation via data assimilation (Part I) | KYLE GWIRTZ |
| 17:55 | Break | |
| 17:55 | Understanding and predicting geomagnetic secular variation via data assimilation (Part II) | KYLE GWIRTZ |
| 18:40 | Q&A | |
