Statistical Physics of Complex Systems | (smr 3624)

Thursday 09 September 2021

Prize session - Online (14:00-18:00)

time	title	presenter
14:00	Senior Prize Award	
14:15	Network Science: From structure to control	ALBERT-LASZLO BARABASI
15:00	Spots about Turbulence in Richardson's Footsteps	ANGELO VULPIANI
15:45	Break	
16:15	Early Career Prize Award	
16:30	Higher-order interactions in complex networks: an opportunity for new physics	FEDERICO BATTISTON
17:15	Statistical Inference in networks: finding patterns from multiple types of information	CATERINA DE BACCO
