Joint ICTP-IAEA Course on Theoretical Foundations and Application of Computational Fluid Dynamics in Nuclear Engineering | (smr 3640) / Programme

Tuesday 14 September 2021

Joint ICTP-IAEA Course on Theoretical Foundations and Application of Computational Fluid Dynamics in Nuclear Engineering | (smr 3640)

Tuesday 14 September 2021

Session 2. B. Basics of Turbulence Modelling - Online (11:10-12:30)

time	title	presenter
11:10	Webex link opening	
11:30	Turbulence Resolving Simulations: DNS, LES and Hybrid Methods	ELIA MERZARI

Joint ICTP-IAEA Course on Theoretical Foundations and Application of Computational Fluid Dynamics in Nuclear Engineering | (smr 3640) / Programme
