

Joint ICTP-IAEA Course on Theoretical Foundations and Application of  
Computational Fluid Dynamics in Nuclear Engineering | (smr 3640)

Contribution ID : 93

Type : **not specified**

## **Application of CFD codes in nuclear reactor design**

*Friday, 17 September 2021 14:48 (0:18)*

**Content**

**Summary**

**Presenter(s)** : BOGDAN CORBESCU (Institute for Nuclear Research, Romania)

**Session Classification** : Selected Presentations from the Participants
