

Quantum Microwaves, Heat Transfer and Many-Body Physics in
Superconducting Devices | (smr 3704)

Contribution ID : 6

Type : **not specified**

The capacitive coupling of persistent current qubits

Monday, 16 May 2022 11:45 (0:35)

Content

Summary

Presenter(s) : MANUEL PINO GARCIA (Institute of Fundamental Physics CSIC Madrid)

Session Classification : notitle
