

3rd Summer School on Theory, Mechanisms and Hierarchical Modeling of
Climate Dynamics: Tropical Oceans, ENSO and their teleconnections | (smr
3727)

Contribution ID : 205

Type : not specified

**Modelling-robustness of the past and future forced
changes of the ENSO-Indian summer monsoon
teleconnection**

Tuesday, 26 July 2022 11:30 (0:20)

Content

Summary

Presenter(s) : ANEESH SUNDARESAN (IBS Center for Climate Physics, Pusan National University, South Korea)

Session Classification : not yet classified
