

Measurements of the intensity dependent refractive index using complete spatio-temporal characterization of an optical pulse

Wednesday, 27 February 2002 16:10 (0:20)

Content

Summary

Primary author(s) : PIREDDA, G. (Rochester University, USA)

Presenter(s) : PIREDDA, G. (Rochester University, USA)

Session Classification : Measurements of the intensity dependent refractive index using complete spatio-temporal characterization of an optical pulse
