

WORKSHOP ON "MESOSCOPIC PHYSICS AND ELECTRON  
INTERACTION" | (smr 1415)

Contribution ID : 24

Type : **not specified**

## **Spin-orbit coupling, spin relaxation and quantum transport in lateral semiconductor dots**

*Tuesday, 2 July 2002 11:35 (0:45)*

### **Content**

### **Summary**

**Primary author(s)** : FALKO, V. (Lancaster University)

**Presenter(s)** : FALKO, V. (Lancaster University)

**Session Classification** : Spin-orbit coupling, spin relaxation and quantum transport in lateral semiconductor dots
