

SCHOOL AND CONFERENCE ON ALGEBRAIC K-THEORY AND ITS
APPLICATIONS (dedicated to H. Bass on the occasion of his 70th
birthday) | (smr 1418)

Contribution ID : 15

Type : not specified

**K-theory and Representation Theory - Equivariant
Higher Algebraic K-theory plus relative
generalisations (for finite group actions).**

Thursday, 11 July 2002 16:00 (1:00)

Content

Summary

Primary author(s) : A.O. KUKU (ICTP, Trieste, Italy)

Presenter(s) : A.O. KUKU (ICTP, Trieste, Italy)

Session Classification : K-theory and Representation Theory - Equivariant Higher Algebraic K-theory plus relative generalisations (for finite group actions).
