

SCHOOL AND CONFERENCE ON ALGEBRAIC K-THEORY AND ITS
APPLICATIONS (dedicated to H. Bass on the occasion of his 70th
birthday) | (smr 1418)

Contribution ID : 47

Type : not specified

Equivariant K-theory of real vector spaces and the theory of partitions

Tuesday, 23 July 2002 09:30 (1:00)

Content

Summary

Primary author(s) : M. KAROUBI (Universite' Paris 7, France)

Presenter(s) : M. KAROUBI (Universite' Paris 7, France)

Session Classification : Equivariant K-theory of real vector spaces and the theory of partitions
