

SCHOOL AND CONFERENCE ON ALGEBRAIC K-THEORY AND ITS
APPLICATIONS (dedicated to H. Bass on the occasion of his 70th
birthday) | (smr 1418)

Contribution ID : 56

Type : not specified

Higher K-theory of group-rings of virtually infinite cyclic groups

Wednesday, 24 July 2002 14:10 (0:30)

Content

Summary

Primary author(s) : G. TANG (Northwestern Polytechnical University, Xian, China)

Presenter(s) : G. TANG (Northwestern Polytechnical University, Xian, China)

Session Classification : Higher K-theory of group-rings of virtually infinite cyclic groups
