

SCHOOL AND CONFERENCE ON ALGEBRAIC K-THEORY AND ITS
APPLICATIONS (dedicated to H. Bass on the occasion of his 70th
birthday) | (smr 1418)

Contribution ID : 59

Type : not specified

Bass conjecture for group-rings/Intertwiners and K-theory for commutative rings

Wednesday, 24 July 2002 17:00 (1:00)

Content

Summary

Primary author(s) : A.J. BERRICK (National University of Singapore)

Presenter(s) : A.J. BERRICK (National University of Singapore)

Session Classification : Bass conjecture for group-rings/Intertwiners and K-theory for commutative rings
