

SCHOOL AND CONFERENCE ON ALGEBRAIC K-THEORY AND ITS
APPLICATIONS (dedicated to H. Bass on the occasion of his 70th
birthday) | (smr 1418)

Contribution ID : 61

Type : not specified

K-theory of symmetric products of symmetric spaces

Thursday, 25 July 2002 10:45 (1:00)

Content

Summary

Primary author(s) : C. WEIBEL (Rutgers University, New Brunswick, U.S.A.)

Presenter(s) : C. WEIBEL (Rutgers University, New Brunswick, U.S.A.)

Session Classification : K-theory of symmetric products of symmetric spaces
