

Microscopic charge and spin correlations in cuprates with different lattice types

Wednesday, 14 August 2002 10:00 (0:45)

Content

Summary

Primary author(s) : BERNHARD KEIMER (Max-Planck-Institut, Stuttgart, Germany)

Presenter(s) : BERNHARD KEIMER (Max-Planck-Institut, Stuttgart, Germany)

Session Classification : Microscopic charge and spin correlations in cuprates with different lattice types
